

YNL branch Committee Nominations				
Name	What motivated you to put yourself forward for election to the Yorkshire and North Lincolnshire branch committee? (maximum 150 words)	How much time do you anticipate being able to spend on branch activities in an average week?	What qualities, skills and experience do you think you'll bring to the Yorkshire and North Lincolnshire branch committee? (maximum 150 words)	If you have any items for the AOB section of the AGM please list them here:
Mark Laurillard	I have been on the committee for the last couple of years and feel I have something to offer as a former practitioner and current academic in project management	depending on work commitments - a few hours	I was a practicing project manager for many years in a variety of sectors (mostly financial services), I hold an MSc in project management and have been an academic in project management for ten years, leading both undergraduate and postgraduate courses.	

Ella Allen	My main aim in sitting on the committee is to strengthen the links between my employer and the APM, as the Yorkshire and North Lincolnshire branch is our local branch. On a personal level I have attended and enjoyed a number of local branch events and I am looking forward to being able to support the organisation and planning behind these.	5 hours	I have been a project manager for 5 years, with the majority of my projects being IT based. So I will be able to provide the perspective of an active Project Manager within the IT/Business Support arena. I am also currently on Agile Practitioner Pathway training so I will be able to provide experience with that delivery method and the theory behind it.	
Andrew Fotherby	I have served on the committee for 2 years, and would like to continue to support the Branch and APM activities	2-3 hours per week, or 1-2 days per month	I am the main rep for WYG with APM and MPA, and lead WYG's Major Programmes Practice. I have 20 years experience in Programme and Project Delivery. I specialise in project initiation.	

<p>Hilary Pattison</p>	<p>I have been a member of the committee for four years and the Corporate Liaison Representative for the past two years. This has given me an opportunity to use my skills and experience built up from 30 years practice to contribute to the increasing 'professionalisation' of Project, Programme and Portfolio Management and in particular, to encourage the next generation. I recently organised the Branch's first Young Project Manager and Undergraduate Student of the Year competitions. This provided a platform for those starting out in the profession to</p>	<p>I have worked in a range of sectors and managed teams of project managers on a number of projects and programmes, particularly in large, corporate organisations. I therefore understand the difference between theory and practice and this can help when talking to both individual and corporate members of the branch as I understand many of the difficulties they face and equally the huge opportunities effective project management can offer. It also helps that I genuinely like meeting people and bringing together</p>

Ken Platts	Continuity as a member of the Y&NL Branch Committee (17 years), regular contributor to branch activities (e.g.) past Secretary, HEI representative and current Treasurer.	Past experience in Branch Committee activities eg event planning, carrying out responsibilities and liaising with local organisations and with APM HQ at Ibis House.		
Emma Wright	I have been a member of the committee for the past 2 years. I'm passionate about project management and sharing best practice across the profession.	I have managed projects for 15 years in the private, public and charity sectors. My main experience is in the business change element of project management.		
David Pearce	Current committee member and Branch Secretary wishing to continue in role and serve the APM.	Experience in both APM and other institutes CIOB and HEA. Wider involvement in Yorks/Humber region with other bodies and communities.		No

David Burton	I have been Chair of the branch for the last 18 months and would like to help steer its direction in what could be an exciting next 12 months	I feel that my experience as current Chair of the branch will enable us to maintain a consistent approach to how we can best serve the members in our area..

<p>Muhammad Naeem</p>	<p>I've a great motivation to be part of the delivery team to support and improve changes happening in the PM profession led by APM. I am interested to raise the PM professionals and to support young pm professionals through my diversified pm experience across many countries and organisations. Also, apm recent chartership is very significant to me, although I'm a chartered engineer, however, would like to go through this route to be a chartered apm professional and to support new comers.</p>	<p>I've 21 years of diversified PM experience across many countries, a very strong network across many large organisations and professionals across the globe, especially within yorkshire and Lincoln region. I've served as a chairman for a Joint Institution Group for 2 years, where successfully supported many colleges and sschools and organisations to join professional institution and to support them in developing their career.</p>		<p>Plan for roll out of charter ship in YNL region and how our committee will support this initiative in this region? How, we can get some more funding and support from apm and other organisations to organise successful events during 2018-19?</p>
