John	Arbuckle	Full	I have been a committee member for over 15 years and wish to continue serving the branch and the wider PM community. Currently I am branch treasurer, assist with developing the business plan, and I also organise at least two knowledge events each year, which, if elected, I will continue to provide these services.	I am an experienced and qualified PM with over 30 years spent in the profession. I hold chartered and RPP status. I provide the following services to APM: RPP assessments and Examination marking. I am also an end point assessor and a PM consultant and coach.	As I am self employed, I estimate that I can contribute to 8 to 10 hours per month. (Based on last years allocation).
Gerry	Coghlan	Full	I have been an APM member for over 20 years and a member of the NI Branch committee for a few years less. I would be happy to remain on the committee for another year.	I am Project Manager with over 30 years experience in the Construction Industry and have been chair of the branch for the past 3 years heavily involved in organizing and helping to run activities and in promoting APM in NI.	Not as much time as I would like but able to give some time during working hours and then in the evenings after work and on the occasional weekend.
Martin	Elsner	Associate	I am a current Member of the Committee, and I would like to continue in this role.	I am well experienced in organizing APM events, and in representing the Branch at Volunteers' Forums.	5 hours
Katherine	Hanratty	Full	I have been involved in NI Branch as a committee member for several years. I am NI Civil Service representative. I would like to continue my contribution to the committee and APM.	I am NI Civil Service representative. I bring my experience on the committee and as a volunteer. I also bring experience of attaining ChPP status and a willingness to lead events.	1 to 2 hours

Brendan	Harkin	Full	<p>Having achieved Chartered Project Professional (ChPP) status in October 2018 I would now like to bring my experience and skills to support further development of the local branch of APM. I maintain APM Corporate membership for Translink and promote APM competency. I believe that engagement with client based organisations in particular will enhance development of APM.</p>	<p>I have been MAPM since 2007, attaining RPP status in 2011 and Chartered Project Professional ChPP in 2018. I have over 30years experience in planning, delivering and assurance of projects, mainly in civil engineering and property. I am Translink's professional lead for Programme & Project Management. I developed a suite of best practice project and programme management procedures based on PRINCE2, Achieving Excellence in Construction, APMBok and Managing Successful Programmes. I have introduced an APM competency framework with Translink. In Translink I established a best practice Portfolio-Programme-Project Office (P3O) governance structure for effective planning and delivery of its £100m+ pa investment strategy. Recently I developed a new Project On Line Information Management system to provide an integrated PMO / Project capability for 300 live projects. I am an accredited NI Gateway Reviewer with CPD and undertaken external Gateway Reviews to support other external projects confidence assessments.</p>	<p>I anticipate being able to provide 2-4 hrs per week.</p>
Colin	McCarthy	Full	<p>I am already on the N.I. committee and motivated to put back my experience and knowledge into the local branch, so it can develop and become more influential.</p>	<p>My knowledge of the local market, contacts within the N.I. civil service, local political parties and former devolved ministers. The latter could be useful when a devolved government returns. I am experienced and skilled in developing and implementing strategy, as well as having held governance posts in another international professional institution.</p>	<p>I am able to allocate up to 10 hour per week to APM business</p>

Martin	Murray	Full	I have been committee member on APM for last 3 years and would like to remain helping further the branch in the coming year.	Continue to bring hands on PM experience of current projects from the engineering sector and passion for Project Management.	2 - 3
