

**Nominations 2019/2020 – APM Thames Valley Branch**

<b>Name</b>	<b>Membership Status</b>	<b>What motivated you to put yourself forward for election to the Thames Valley branch committee?</b>	<b>What qualities, skills and experience do you think you'll bring to the Thames Valley branch committee?</b>	<b>How much time do you anticipate being able to spend on branch activities in an average week?</b>
<b>Carol Bell</b>	Fellow	I have now completed two years as a committee member at Thames Valley Branch and would like to continue.	I have 20 years' continuous service as a volunteer with APM including Branch and SIG committees. My skills include planning, organising and presenting at events, supporting the Chairman and other officers. In addition thanks to my long association with APM I have developed effective relationships with many of the HQ staff	I would anticipate 3 hours per week (150 hours per year).
<b>Daren Evans</b>	Fellow	I'm happy to provide something back to the profession as an active APM Volunteer.	Chartered Project Professional	1 hour
<b>Dr Steve Walters</b>	Full	Previous volunteering for APM in Thames Valley over the past ten+ years, I feel a strong attachment to this committee and I am currently a member of the TVB committee. I want to make progress in the specialist role of HEI representative, having worked up good relations with some universities in the area, which I see as a task unfinished. Also I want to provide a link with SEFG, based in Oxford, within the TVB area.	Enthusiasm and ability to communicate to students (part of the current role as HEI representative - I am a visiting academic at the University of Manchester). Determination (previously secretary of Oxford chapter for several years, and member of TVB committee for the past 4 years), lots of experience in committee work and working with Ibis House. I have lots of experience in organising events. Specialist in Stakeholder Engagement, and a member of SEFG; also a peer reviewer of BoK 7.	As much as it takes; experience indicates that time demands are not level, but will fluctuate through the year. On average a few hours a week.
<b>Grant Kane</b>	Full	I have been a co-opted member of the TVB for 2 years and have enjoyed volunteering with the APM. A change of job has given me	I am dedicated to tasks and ensure that quality is important as well as delivery. As a Programme manager I have	0.5 d/pw

		more time to dedicate and I am now ready to take up a more active role with the running of the TVB and the promotion of the APM within the area. Currently I am applying for Chartership through the experiential route and completing my RPP paperwork.	experience of strategic delivery of long term goals, looking to the future and trying to shape the direction of the organisation. I have learnt over the last two years volunteering how to market and organise events and I am now ready to take a more active role within the branch and APM	
<b>Jake Younger</b>	Associate	I have been supporting the branch for a year now as a co-opted member. I have enjoyed my time there and have been able to develop my skills and network. I would like to continue supporting the branch in a full committee member capacity specifically in the role of Communications Lead.	I am an early careers project manager with a creative view and motivation to make an impact. I noticed at the recent Forum in Newcastle that there is a lack of age diversity regarding APM Volunteer membership. Following the outputs from the diversity session held on that day there are there are a number of benefits from increasing the diversity, which my membership can help. Outside of work i engage in creative hobbies and learn about psychology. I have recently taken on the Communications lead role for the branch and believe these transferable skills will be very effective in elevating the way we currently communicate.	2-4 hours
<b>Kathy Stevenson</b>	Full	To promote PM to wider audience and encourage networking in the TV region.	organised, enthusiastic, pm consultant with >5 experience.	1
<b>Paul Bradley</b>	Full	I have had some engagement and supported TVB in the last couple of years and have been an active member of APM SIGs and feel I can contribute to supporting the branch and helping to further the profession	I have worked in project and programme delivery for about 15 years in a number of companies and have established an understanding of how different sectors and domains approach the discipline. I'm an advocate of driving competency and recognition for our project professionals	1 to 2 hours

			having been the functional head of projects planning and controls for the last 3 years. I'm really keen that SIGs and branches work together towards to common goal of forwarding the profession, establishing good practices that are transferable and promoting exciting careers to entice the next generation of project and programme professionals. I have been a committee member of the PMC SIG for the past 3 years.	
<b>Sally Andrews</b>	Associate	I have been a member of the Thames Valley Branch for the last 3 years. In the first year, I undertook the role of Project Manager for the Project Management Challenge Competition and for the last two years have been elected Chair of the branch. I wish to remain on the committee with the aim of supporting the development and delivery of a number of future branch activities. I would be happy to be elected Chair for a 3rd year with the aim of supporting the transition to another committee member who will be eligible to take on this role in the future.	I have 23 experience in the P3M environment and a passionate PMO Manager responsible for business case development and appraisal, project planning, capital reporting and governance in addition to providing leadership to the projects team and Estate team Heads to support the development and delivery of a portfolio of Capital Programmes and Projects.	This will vary from week to week but I will aim to commit between 2 and 4 hours per week.
<b>Steven Hoesli</b>	Full	With over 30 years experience of project management, I feel I have the knowledge and experience to help others thrive in this industry. Joining the APM Thames Valley committee will allow me to not only assist others in our profession, but help APM deliver a better platform for project	I am currently a formal mentor for Mott MacDonald; One of my main skills is to help others succeed. I can draw on my wealth of experience in Building and Infrastructure (currently Highways) as well as Nuclear. With over 30 years of experience I feel I excel in leadership; understanding what is required in being a	2 hours a week, but possibly more if this work can be done remotely

		managers of all levels to make the most of this profession	successful leader. Key areas of knowledge are: How to get the best out of people How to drive others to make their own success Why difficult conversations are important Team work and collaboration Focusing on the right things In addition to Leadership, I can mentor in a wide range of technical as well as general knowledge around Project management and controls and include: Portfolio & Programme Management Project management General management Contract management Risk Management Project Controls EVM Business skills
