Introduction

The APM Project Fundamentals Qualification is for everyone wishing to demonstrate a fundamental awareness of project management.

No prior knowledge or experience in project management is required for this certificate, which covers knowledge areas from the APM Body of Knowledge 7th edition.

Please take time to read and understand these guidance notes. They outline the examination regulations and will provide you with all you need to know about applying and taking the examination, plus details on receiving your results.

Applying for the examination

Most candidates take the APM Project Fundamentals Qualification through an APM Accredited Provider who will advise of the date, venue and timing of the examination.

Some candidates prefer to take their examinations through an APM open examination. Please refer to APM’s website for further information on open examinations. APM’s Qualifications Department will confirm the date and venue of your examination.

If you have any special requirements (further information on these can be found on page 6) please advise the APM Accredited Provider you are taking the exam through or the APM Qualifications Department at least 5 days prior to the examination date (10 days if taking an examination overseas).

Fees apply for cancellation or non-attendance. If you withdraw from the examination up to 5 working days before the examination, a cancellation fee will apply. Details of the cancellation fee are available from the APM Qualifications Department.

If you are unable to attend your examination due to illness you must inform the APM Qualifications Department immediately. This should be done either through your organisation, APM Accredited Provider or directly to APM. A medical certificate signed by a doctor must be provided within 5 working days of the examination date.

Special Arrangements

Medical and mobility

APM is committed to promoting a positive attitude towards people with special learning and physical needs. It has a great deal of experience in facilitating individual requirements and tailoring adjustments, with the aim of removing any unfair disadvantage that the individual may encounter as a consequence of his or her medical condition.

Access to the facilities or arrangements described here can be granted to candidates with disabilities/learning difficulties who apply to the APM Qualifications Department. A dispensation may be allowed for candidates with a medical or physical condition that prevents them from completing the examination within the normal regulations.

All requests must be supported by a medical certificate or other relevant medical documentation from your GP or other relevant medical professional. This must be stated at the time of application. All medical evidence must be received by midday, at least 5 working days before the examination. Failure to do so will result in the dispensation not being granted.

Extra time

Extra time is available if you have dyslexia or a medical requirement. The normal additional time is 15 minutes per hour of examination.

Scribe

A scribe is someone to whom examination candidates can dictate their answers during the exam. Scribes can be made available to candidates who have dyslexia or difficulty writing. Candidates will sit their examinations in a separate room with their scribe, who will also act as their invigilator. The scribe will be a representative of APM and will not have knowledge in the field of project management. Extra time is available in instances when a scribe is used.

Other aids/equipment available

Large print papers may be produced for partially sighted candidates or dyslexic candidates, by prior arrangement with the APM Qualifications Department. Requests for large print papers must be received by midday at least 10 working days before the examination date.

Candidates may bring cushions, special seats and any other resting aids by prior arrangement with the APM Qualifications Department.

For assistance with any of the above, or for any other requirements, please contact the APM Qualifications Department.
