SIG report 2020/21

APM SIGs – Get involved!

The APM SIGs have an important role to play within APM in creating and disseminating new knowledge.

- Input to creating and disseminating new knowledge
- Create knowledge sharing opportunities on current interests of the profession – CPD!
- Further the understanding and practice of tools and techniques
- Inspire future project managers
- Give back to the project management profession
- Learn new skills
- Many more reasons!

APM Contracts and Procurement SIG 2020/21 chair report

- The C&P SIG provides a forum for PMs to continually develop best practice for the placement and delivery of contracted works.
- The SIG team runs events, including workshops, webinars, podcasts, and videos, covering the increasingly complex contracting environment, to inform and support PMs.
- Recent presentations by the SIG have included a webinar in conjunction with the APM SWWE Branch on [Procuring for collaboration on projects](#) and forthcoming events include a series of three webinars introducing [Basic contract law for project managers and project professionals](#).
- The SIG aims to continually inform PMs of current and forward-looking trends via its activities, including events, case studies and white papers.
