

# Value Management Specific Interest Group Annual report 2016/2017

## Looking back

- A number of seminars were held.
- Committee members were able to contribute to APM events.
- The London membership grew under Adam Roberts
- We published a small series of BLOGs.

# Plans for next year

- Publication planned (working title: 'demystifying VM')
- BLOGs in draft
  - Projects should add value: not just spend money
  - Programme management's potential influence on synergistic value
  - The importance of (external) facilitation
- Research papers: 'State of the VM art'
- November conference half day: Value & the PMO/Programme
- And Research into the 'state of the art'
