

# Assurance SIG Chairman's Report June 2017

# The Assurance Specific Interest Group

## ■ Our Vision

- For the SIG to become a source of best practice in the provision of effective and efficient project, programme and portfolio assurance.

## ■ Our Mission

- To provide a forum for exchanging ideas, sharing good practice, and developing new approaches to providing assurance;
- to develop standards and guidance on best practice assurance; and
- to promote use of best practice approaches to assurance.
