

## Declaration of No Change

We confirm that no changes have been made to the assessment methods or practice used within our

**When do you anticipate a full programme review and enhancements to be made to the assessments?**

**Have there been any changes to a previously declared external recognition for your recognised assessment. If so, please confirm what these are. Yes/ No/ N/A**

**We attach evidence demonstrating how those involved in the assessment process have current and adequate knowledge and experience. (please state document titles)**

**We attach evidence of assessment decisions made and feedback presented to candidates within the last 12 months, spanning 3 mandatory competences**

Please state the 3 competences and the title of the assessments as per your previous application.
