Declaration of No Change

Association for Project Management

We confirm that no changes have been made to our APM Endorsed learning provision.

When do you anticipate a full review and enhancements to be made to the learning provision?

Please confirm you are attaching learner feedback from your endorsed provision, up to 10 learners (if fewer than 10 learners have participated, please include feedback from all learners).

We understand that APM may carry out a spot check on our learning provision at any point and should any changes be noted, we will be required to complete a full application and additional fees may apply.
