Full name	What motivated you to put yourself forward for election to the Branch committee? (maximum 150 words)	What qualities, skills and experience do you think you'll bring to the Branch committee? (maximum 150 words)	If you volunteered last year with the APM what was your best achievement/highlight?
Paul Bradley	I have been a member for the last 2 years and still want to contribute to the running of the branch	Enthusiasm, desire to help out, ideas and communication skills	Participating in the Pecha Kucha story telling webinar
Steven Hoesli	I have only been the Chair for one year and I feel we have gained a lot of momentum. However, there is a lot more we can achieve especially with the pandemic coming under control with face to face looking more likely	I am the current chair and feel have lifted the team since joining. I am a fellow member with over 35 years in projects management	Early career events and delivering one or two events each month which the branch had previously not run any for previous year.
Grant Kane	To continue in the role of treasurer	This will be my third year as treasurer, during which time I have learnt a lot and engaged with APM	Supporting committee members and delivering online conferences
Greg Krawczyk	I have been representing the APM Thames Valley branch since 2016 in the capacity of a volunteer, secretary and events lead. I would like to continue in a volunteer capacity to build engagement with the local community and give something back to the profession.	A drive and enthusiasm to host and produce events that engage, inspire and commit attendees into action in order to become better project professionals.	Established a cross branch-SIG working group to improve events through greater collaboration.
Kathy Stevenson	To continue to promote and educate people on the PM discipline, particularly young PMs.	Tenacity, collaboration and drive for quality outputs	Presenting on a webinar

Steve Walters	I have been a member of this committee (or its predecessors) for nearly 20 years. I bring an unparalleled wealth of experience and knowledge, particularly links with People SIG (SEFG). I am also professionally motivated to encourage and mentor younger professionals which I would seek to continue to do if re-elected.	I believe I am a good listener and advisor. I bring a vast amount of knowledge and experience of APM affairs in the Thames Valley Area, together with nearly ten years of involvement with the Stakeholder Engagement Focus Group, (People SIG) and several years involvement with HEIs in the TV area, with a good track record for engagement with academia.	Gaining Fellow status, mainly through volunteering activities. Also organising events for TVB including the very highly attended webinar on Responsible Project Management.
David Ward	Having had a successful 1st year as a Branch Committee member last, year I am keen to build on the experience, success and confidence that that I have gained. I have played a key role in the Early Careers Engagement initiative that the TV Branch are running, in particular targeting either serving military, those within their resettlement period or veterans. I have a number of virtual events that I am planning within various areas of the Armed Forces community and hope to deliver a number of virtual events within the coming year. I feel that my input over the next 12 months will be highly valuable to the APM and wider PM community.	Previous experience as a committee member will stand me in good stead for the coming year. I have utilised planning, communication and networking skills to plan and delivery online events for the good and benefit of the Project Management profession. I am also keen to promote the APM and Project Management courses to those that I feel would benefit from this.	The planning and successful delivery of my 1st online Project Management Event which resulted in increased interest in the APM and APM accredited courses.
Jake Younger	As a member of the TVB for 2 years now i plan to continue supporting the team with the communications activities and developing our early careers proposition	design thinking, start-up mindset, early career experience, organisation network	Managing my first virtual event
